This class is for people with some experience of yoga - it includes breath awareness and gentle warming up exercises, gradually leading to more challenging *asana*. Amanda always aims to be accepting and non-judgmental so you'll feel comfortable and able to be yourself. By coming to yoga classes and cultivating home practice (Amanda's audio classes help with this) – your body will become strong and supple, so movement will become more pleasurable. As you learn to breathe with more ease, you'll sleep better and deal with stress better, helping you towards a happier, healthier life.
